

Welcome to Haliburton Winter Carnival

The big weekend has arrived and the sixth annual Haliburton Winter Carnival is all set to go. People from all parts of Ontario are making their way to Haliburton for a weekend of fun and frolic.

The 1974 Winter Carnival is being sponsored once again by the Rotary Club of Haliburton with the support of various organizations in the community. Led by Carnival Chairman Bill Emmerson the committee have been working hard in putting the finishing touches to what they hope will be the best carnival.

We say welcome to Haliburton and its Winter Carnival and may the weekend be one to be long remembered.

GIGANTIC PARADE

Everyone loves a parade and the Haliburton Winter Carnival Committee are going all out to make this year's parade one of the best. The parade will be one of the highlights of the weekend and it will assemble at the Municipal Arena Park on Saturday afternoon at 2.00 p.m. This year's special recognition is being given to the Haliburton County Centennial. The parade will feature the Bobcaygeon Villagaires Bugle and Drum Corps and weather permitting, the Haliburton Legion Pipe Band. Prizes will be awarded for the floats judged best in the following categories.

1. Provisional County of Haliburton Centennial Theme \$50.00.
2. Best overall float \$50.00
3. Most original float \$25.00
4. Most humorous float \$25.00

HOCKEY

Hockey will play a big part in this year's carnival at the Haliburton Arena and starting at 8 a.m. and continuing through until 5.00 p.m. on Saturday the Alcide Carpentier Memorial Pee Wee tournament will be played with admission for the day: Adults \$1.00, children 13 and under 50 cents.

At 8.00 p.m. a Junior D O.H.A. playoff game will get underway when Newcastle will be meeting the Haliburton Travelway Huskies in the fourth game of their series.

An exhibition by the Haliburton Figure Skating Club will take place during the intermission of the Junior hockey game.

CARNIVAL KICK-OFF

The Carnival will officially get underway on Friday evening with the Official Carnival Opening and Dance at the Legion Hall at 8.30 p.m. The Admission will be \$3.00 per person, including midnight snack. Music for this dance will be supplied by Joe Twine and The Binders. This should provide an opportunity for everyone to enjoy an evening of dancing and fun to instill the true carnival spirit. The 1974 Carnival Queen will be introduced to all present at the dance at approximately 10.30 p.m.

At 9.30 p.m. it's the Teen Snow Ball Dance featuring the ever popular "Copper Penny" at the High School. The final judging for the Haliburton Winter Carnival Queen will take place at this dance.

ADDED THRILLS

A real extra thrill has been added to this year's top entertainment on Sunday afternoon from 3.00 to 3.30 p.m. It's a Daredevil Demonstration by two experienced snowmobilers crossing open water. Les Northey of

Minden and Fred Nimigon of Haliburton will attempt to jump the channel near Rotary Beach. They will be doing this act while jumping over 100 feet of open water. This daredevil open water snowmobile display is presented in the interest of Safety and the Rotary Club hopes that inexperienced snowmobilers do not attempt this spectacular but dangerous feat. This is only a daredevil demonstration and not one to be considered a normal practice.

TWO LUNCHEONS AGAIN THIS YEAR

This year the Anglican Church ladies as well as the ladies from the United Church will be going all out again to keep our visitors and local residents well fed. On Saturday at noon hour a Buffet Luncheon will be available at the Anglican Church Hall. \$2.00 per person, children under 12, \$1.00. One Sunday at 12.30 p.m. the United Church Women will serve up a Toquepic Luncheon at the United Church Hall with admission \$2.00 per person, children under 12 \$1.00. These are two memorable meals for everyone who attends and there is always plenty of seconds, so come along and eat heartily.

CARNIVAL FEAST AND COCKTAILS

On Saturday evening starting at 6.30 p.m. it will be the Carnival Feast and Cocktails at the Legion Hall. The dinner will be put on by the Legion ladies and admission is \$15.00 per couple or \$8.00 per person. The Andres Wine Company are co-operating with the Carnival Committee in making their wines available to the dinner guests at a nominal charge. Entertainment will take place during the dinner and it promises to be a lot of fun. Dress as you wish and come prepared to have a ball.

At 9.00 p.m. the Carnival Ball will be held at the Legion Hall featuring "Sound of Aquarius" orchestra with admission \$3.00 per person.

DON'T MISS THIS

The Haliburton Highlands Guild of Fine Arts will be putting on a special Exhibition and Sale for the Haliburton Winter Carnival. This sale will feature local arts and crafts. The place is Haliburton Guild of Fine Arts at Lakeview Centre (formerly Lakeview School, Haliburton) on Saturday, February 23 - 10 a.m. to 6 p.m. and on Sunday February 24 - 1.00 p.m. to 5 p.m. Free Refreshments. Plan to attend and join with this part of the Carnival Program, also don't miss the display as set up by the

Haliburton Guild of Fine Arts in Curry Motors showroom.

SNOWMOBILE EVENTS

This year's carnival will feature something for everyone in the family who likes snowmobiling. On Saturday morning at 10. a.m. at Rotary Beach-Timed Drag Races and at 3.00 p.m. the final run-off Drag Races also at Rotary Beach. On Sunday afternoon there will be a Snowmobile Safari from Rotary Beach sponsored by the Donald Windigos. The machines will leave at 10.00 a.m. and the trip will take about three hours. Also on Sunday afternoon starting at 1.00 p.m. Novelty Snowmobile Races - Rotary Beach.

In first playoff game

Huskies down Newcastle—Orono 7-5

The Travelways Huskies scored a close 7-5 victory over the Newcastle-Orono Combines in the first game of the play-offs in Newcastle on Tuesday night.

Larry Robinson and Stephen Lloyd scored first period goals with Newcastle's Darryl Barrett scoring for Newcastle.

Newcastle took a 4-3 lead in the second period on goals by Bruce Stevens, Robin Rickard and Dave Shearer.

Floyd Henry got the lone second period goal for the Huskies.

In the third period the Huskies dominated the play as they outscored the opposition by four goals to one. Larry Robinson notched his second of the evening, while Mark Schell, Bill

Leary and Stephen Lloyd added singles.

The Huskies outshot the Newcastle team by 45-to-38.

The Newcastle team evened the series here on

Saturday night as they scored a 5-3 victory over the Huskies. Roger Bain, Larry Robinson and Floyd Henry scored the Haliburton goals.

The third game will be

played in Newcastle on Tuesday night with the fourth & fifth games in Haliburton on Saturday and Sunday nights.

Due to the increased costs of operation it is apparent

that admission prices to the Huskies' home games will have to be raised. Referees, police protection, wages, etc. have all increased, making it necessary for an increase in admission.

Bantams win consolation trophy in Quebec tournament

On Friday, February 8th, the bantams travelled to La Sarre, Quebec to compete in La Sarre's 11th Annual Bantam Tournament.

Here in a three-day

tournament 34 Bantam teams in Groups A, B, C. and D meet from Northern Ontario and Quebec.

Saturday morning, at 9 o'clock, Haliburton played

Hearst and suffered their first defeat this year. Although, Dale LaPorte played an outstanding game in net, Hearst scored two unanswered goals to defeat Haliburton 2-0. LaPorte was chosen one of the three stars of the game.

In the second game, played Saturday evening, Haliburton met Temiscaming-South in a close battle. Andy Salvatori scored from Joe Roberts in the first period and the score remained 1-0 until one minute to play in the third period and Temiscaming pulled their goalie, Joe Roberts scored into the open net unassisted. Joe Roberts and Dale LaPorte were chosen of the game two of the three stars.

In the Consolation Championship Game played Sunday morning, Haliburton met Macamic. After a scoreless first period, Joe Roberts opened the scoring in the second period on a goal assisted by Jerry Stephenson and Mark McDuff.

In the third period Jerry Stephenson made the score 2-0 on a pass from Joe Roberts and Andy Salvatori. With less than two minutes to go, Steve Kilby scored the insurance goal on a pass from Martin Gilles and Mark McDuff. The lone goal of Macamic came with one minute left in the game. Joe Roberts was selected first star of the game and Larry Stinson was named second star of the game.

The Tournament Officials presented the Consolation Trophy to Captain Joe Roberts.

Manager Len Salvatori, Coach Gary McKnight and Trainer Alan Oakley would like to thank the following for making the trip possible: Grenville Martin of Martin Lumber for flying twelve boys in his aircraft; Ken Langdon, Emmerson Lumber, Haliburton Lumber, Shamrock Drilling, Boice Motors Curry Motors, Clements Hawloge, Gary McKnight Al Oakley and Doug Hodgson for credit cards, cars and donations.

Special thanks to Russell Bain on behalf of the team and Management for supervising the boys in the gym.

Curling club holds spiel for Hiram Walker trophy

Hiram Walker Carnival 'Spiel This Week-end

As an important part of Haliburton's Winter Carnival again this year the Carnival Winter Spiel starts at the Curling Club on Friday night with the first draw at six P.M. This Spiel is for the Annual Trophy donated by HIRAM WALKER DISTILLERS - and as usual has drawn a fine group of rinks - local and out-town. The public is most welcome to drop in to witness some fine curling.

Last week-end at the Lindsay Curling Club the

District play-offs for the Ontario Curling Association INTERMEDIATE Championships were held. Bob Collivers rink of Bill Everson, Bob Hueston and Tom Stinson came through the draws undefeated to enter the next round at Fenelon Falls on Mar. 5.

The rink met Lakefield and Peterboro in the first round matches, and they had to again defeat Peterboro in the final game.

For seven years Bob Colliver has been unsuccessful in winning a game at the really tough Kawart-

ha Masters Spiel held at the Peterboro Curling Club - play taking place over a two week period.

Last Saturday the rink of Bob, Bill Johnston, Clark Bailey and Tom Stinson broke the jinx. The Peterboro Club presented a special plaque to Bob for his perseverance and his continued sportsmanship.

Now that the ice is broken let's hope Haliburton reps will continue on to a good record in this spiel, which is one of the top spiels in Ontario and which attracts many rinks with Brier experience.

Bantams defeat Beaverton 4-1

In Beaverton, last Friday night, the Haliburton Bantams played a strong game to defeat Beaverton 4-1. Two easy goals were scored by Andy Salvatori and Jim Thompson causing Beaverton to change goalies. Haliburton went on to score two more goals by Tom Bain

and Mark McDuff. Beaverton's Teven Quantrill scored their lone goal in the third period.

Dale LaPorte played an outstanding game and if he continues his excellent play,

this will be an exciting best-of-five series.

The second and third games will be played in Haliburton this Tuesday and Friday.

Minden OPP report

Man from Ohio injured in snowmobile accident

Minden Detachment of the O.P.P. report that 16-year-old Richard H. Zihn of Shaker Heights, Ohio was sent to Ross Memorial Hospital with a broken leg after his snowmobile was in collision with a machine operated by Dennis G. Laliberty of St. Catharines. This accident occurred on Kushog Lake on Saturday, Feb. 16.

Also on Saturday, Feb. 16, three snowmobiles went into open water in the narrows between Big Boshkung Lakes.

Two people were drowned over the weekend when their snowmobiles went through thin ice on Round Lake in the Apsley area. Divers from the Minden

Detachment of the O.P.P., Constables B. J. Connelly and R. W. Pearson, recovered the bodies and machines on Sunday.

A Norland man, 39 year old Arthur W. Kushnier is charged with failing to share half the roadway when meeting an oncoming car on the Deep Bay Road. His vehicle was considered a write-off and \$1,000.00 damage was done to a vehicle driven by James M. Smith, 26, of Newcastle. Passengers in the automobile driven by Smith were Frederick Victor Adair, 60, of Newcastle, who suffered injury to his right knee, and Eastman E. Steves, 39, of Newcastle who received scalp lacerations.

Pictured above is what used to be known as the Old Moon's school. Later it was put into the Dysart School system. The building was later purchased by the late Jack Kellett. It is now known as the abandoned school house. The building is located on the road just left of what is known as the Slipper turn.

Minden girl top speaker

A group of Haliburton County's most skilful young orators competed in the Elemented School County Finals at the high school auditorium on February 12th. The 8 contestants, two each from Dorset, Cardiff, Minden and Haliburton, presented a prepared speech, answered questions and read from selected books to the largest audience in recent years in an effort to be selected as the county representative for the Zone Finals in public speaking.

Heather Gostlin, an alert 13-year old from Grade 8 in Archie Stouffer Elementary School, Minden, displayed the excellent poise and fluency required to be named as winner of this year's contest. Robert Jackson of Haliburton Highlands Senior Elementary School, who told the audience about the Great Houdini, was second in the contest. Mrs. Greta Kellett, Mrs. Christine Neville and Mr. Charles Hughes, who acted as judges, complimented all the contestants for their fine efforts and encouraged them to pursue their interests in public speaking.

Each of the contestants received certificates from the local Women's Federation which were presented by Mr. Dorothy Kinsman. Mr. Gordon Sharpless presented the Board of Education award to Heather who, as winner, will compete in the Zone 8 Finals to be held at Dunbarton High School, Pickering on Wednesday, Feb. 27.

Added entertainment for the evening was provided by the school band under the direction of Mr. Glen Carter. These Grade 9 and 10 students from Minden who take instrumental music as an extra high school credit, were warmly applauded for their enthusiastic performance.

A vote of thanks goes to all those people who made the evening a success.

COUNTY ROAD SYSTEM

The Provisional County of Haliburton entered into a County Road System in June, 1968, with approval of the Lieutenant-Governor in Council, commencing with the construction of County Road No. 1 from Carnarvon to Muskoka. From roads recommended in a Needs Study, the priorities within each municipality were considered and a five-year programme of road assumption and improvement established, for which the Provincial Government agreed to contribute assistance of more than one million dollars a year.

As of January 1st, 1974, the County has assumed 127 miles of road. Fifty-seven County residents were on the payroll during the summer of 1973, and the economy of the County has been stimulated by the expenditure of \$1,530,880.00 during the past year.

The County Road System is under the supervision of the County Engineer and is administered by a Road Committee comprising the Warden of the County and five members of County Council. Membership is a five-year appointment, with one membership coming up for reappointment or renewal each year. Administration of the County Road System by the Road Committee is approved by County Council, and By-laws, budgets, expenditures, tenders, etc. require approval of the Ministry of Transportation and Communications, liaison for which is with the District Municipal Engineer in Huntsville.

COUNTY... where life is living - for everyone

Haliburton Newsletter

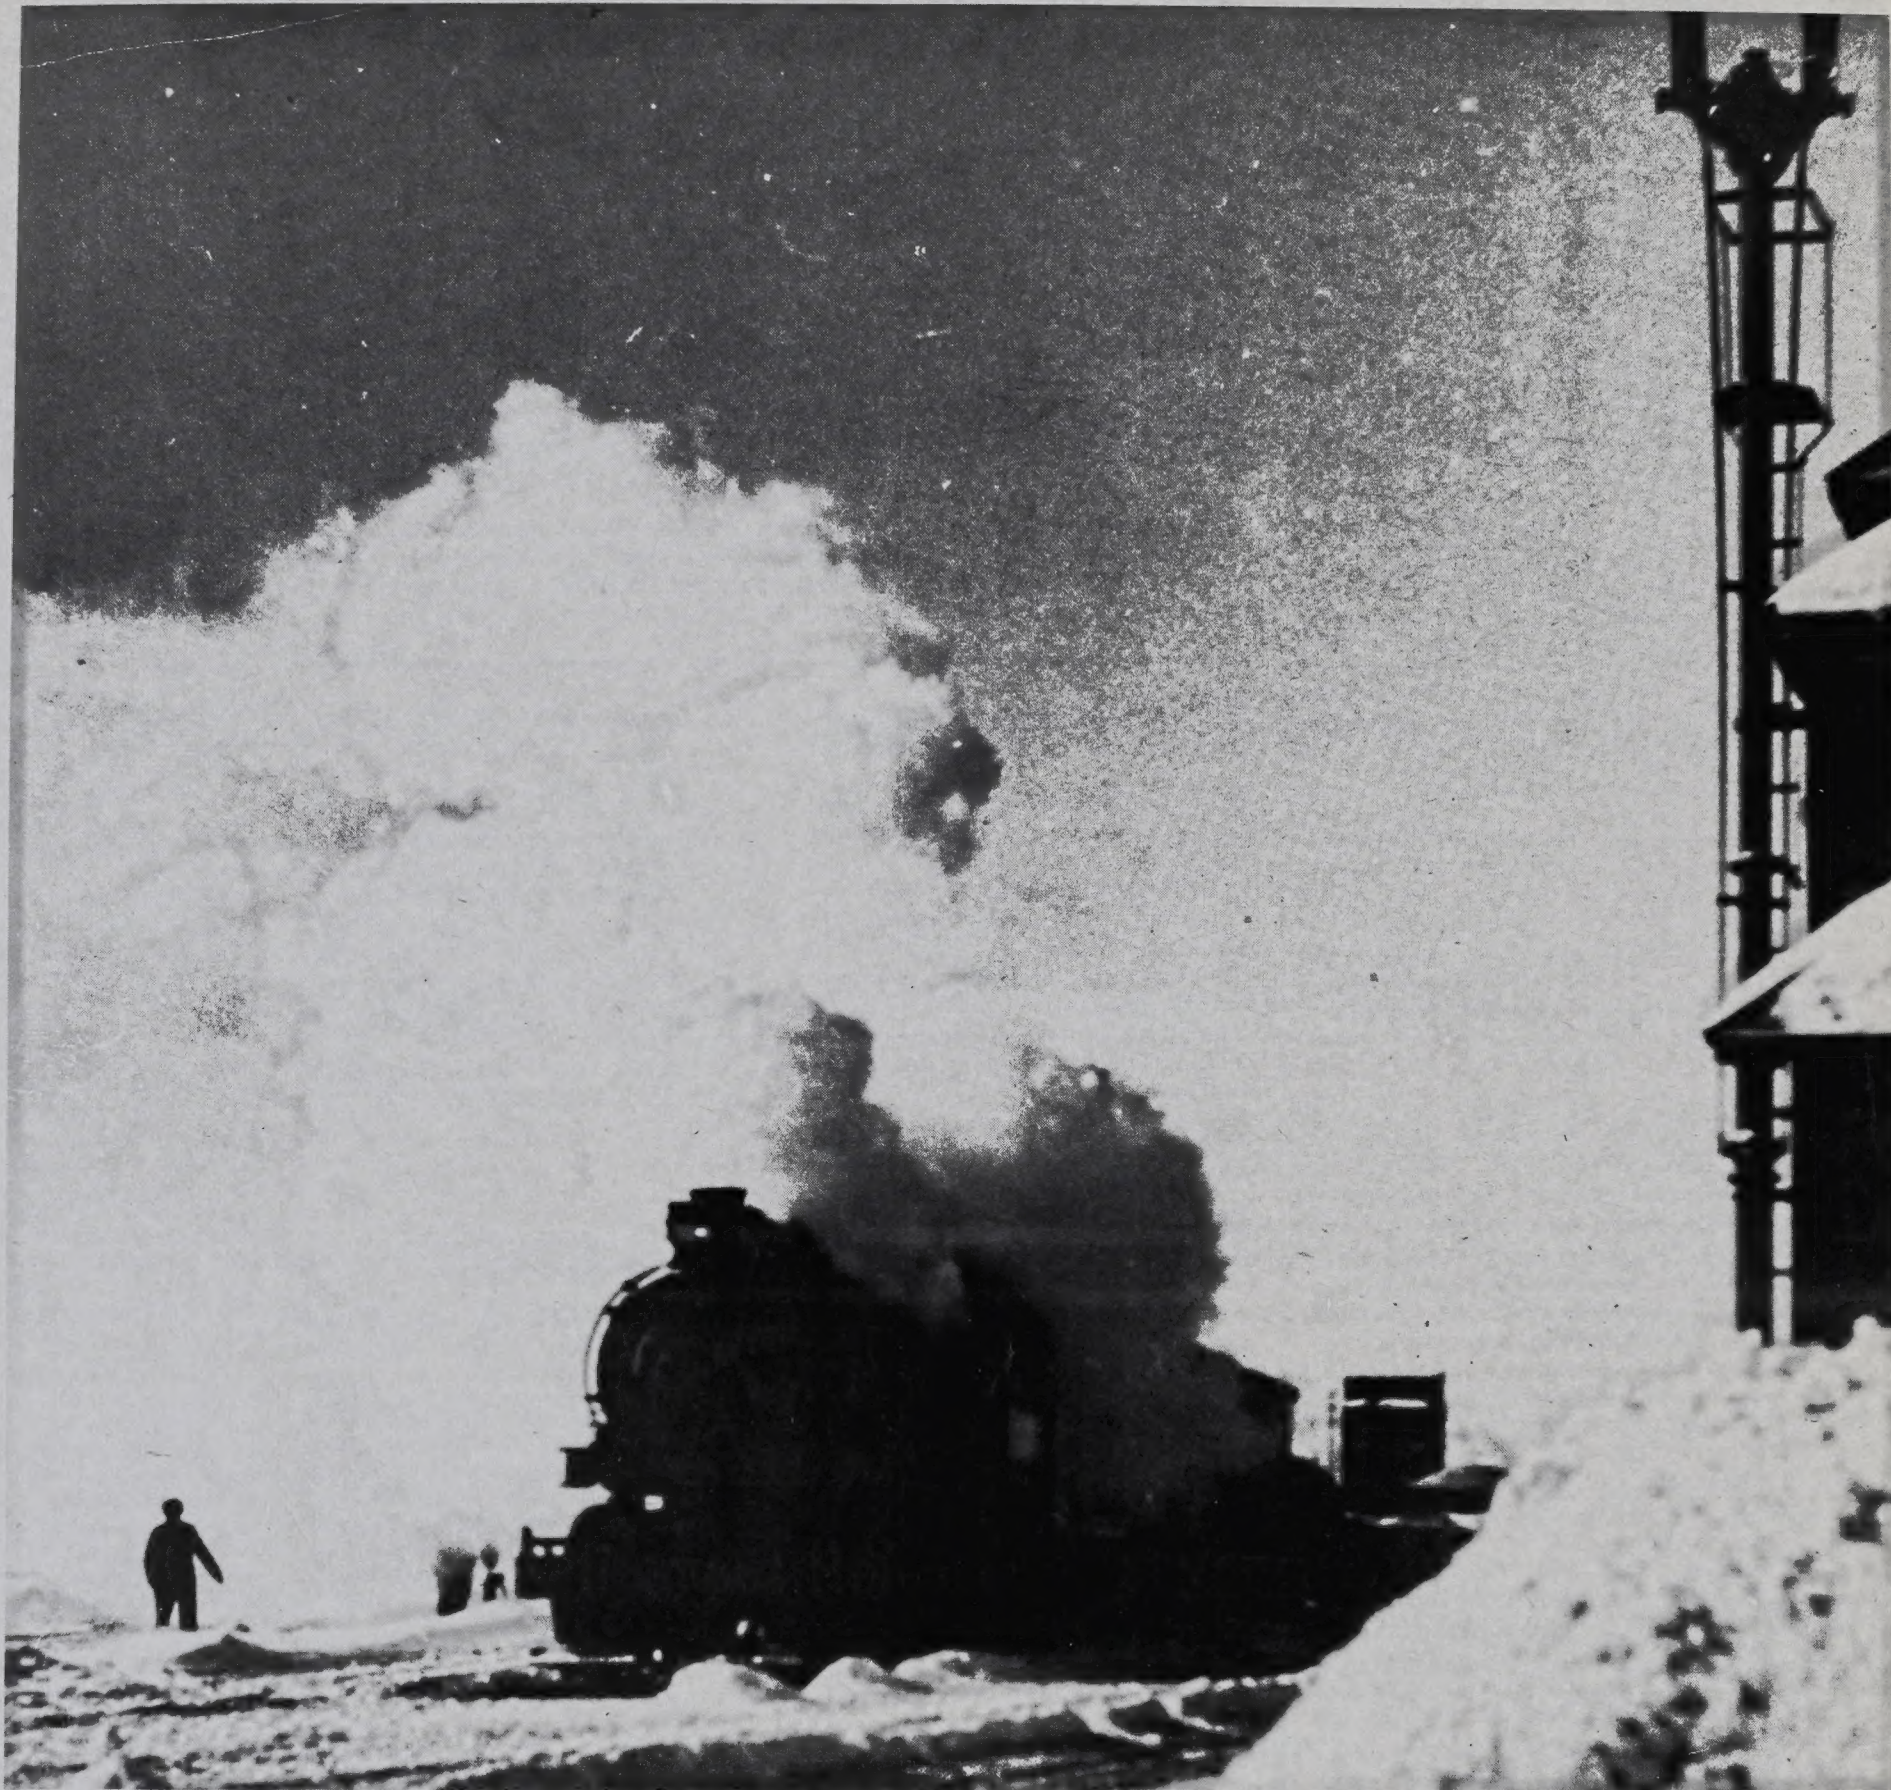

Well the big piece of news this week has to be the Haliburton Winter Carnival which starts on Friday and continues through until Sunday night. We have been waiting a year for the big event and finally it has arrived.

Haliburton now has a full time sign painter on the job. Jerry Wood has opened up his sign painting business at his house on Mountain Street.

The Haliburton Travelways Huskies are now in the playoffs and we all have high hopes for them as they head toward a championship for Haliburton and area. Let's make sure that they get plenty of support in the playoffs.

Some of the new street lights that have been installed in the village have only been on a short time and we notice that some of the bulbs need to be replaced.

Patients at the Red Cross Hospital in Haliburton this week are as follows Mr. Harold Upton, Eagle Lake, Mrs. Hazel Skene and Mr. William Martin both of Haliburton. Mr. George Adam and Mrs. Helen Gunn both of Gooderham.

Winter Carnival requires enthusiasm

This weekend everyone will be letting their hair down and going out to really celebrate one of the biggest events of the year, the Annual Haliburton Winter Carnival. It will all start this Friday, Feb. 22 and continue on well into Sunday.

The Carnival chairman Bill Emmerson and Co-Chairman Derry Wilford along with all of the other Rotary club members are to be congratulated on the splendid program they have lined up for the big weekend ahead.

A winter carnival of this size requires a lot of effort on the part of those sponsoring the event and a large sum of money is needed to carry it through.

The success of this Winter Carnival will depend on the work and enthusiasm of everyone in Haliburton and surrounding area. It's your Carnival for you and your family to enjoy.

In an effort to make it a success we ask you to try and attend as many attractions as you can and don't hesitate to jump in and help if

you are needed.

Beginning this Friday morning people from all sections of Ontario will be making their way toward Haliburton for the weekend festivities. It is here and now that we send out a big welcome to all our visitors and we sincerely hope that you will enjoy every minute of this year's carnival.

Latest reports to reach our office indicate that most of the lodges and motels who are open for winter business will be filled to capacity while many others will be staying at their cottages and with friends in private homes.

After looking over the great program arranged we can only say that Haliburton is the place to be this weekend. In other words it's where the action will be.

This will mark the sixth year of the Haliburton Winter Carnival and we are looking forward to seeing you all right here in Haliburton this weekend.

BILL SMILEY

I WONDER WHO REALLY WON?

I've just been reading a book about the Battle of Britain, written by Peter Townsend. He was a World War II fighter pilot and was in the battle himself.

He's also the chap the royal family wouldn't allow to marry the then Princess Margaret, because he'd been divorced. He was probably lucky. Later she married that pipsqueak photographer called Jones or Smith or something. He is now Lord Something-or-other. His wife is Princess Northing-or-other.

Anyway, it's an excellent book, for anyone interested in battles that have changed the course of history. Townsend has consulted a mass of material from both German and British records, and gives a balanced picture of the B. of B., looking at it from both sides of the English Channel.

By the way, is anyone interested in the battles that changed history, besides me and a few history buffs? There are quite a few of them, and one must wonder

what would have happened to history if the battles had been lost, not won.

At least one of them has probably affected you, personally.

If the Persians hadn't been slowed down at Thermopylae and trounced at Marathon, they'd have wiped out the Greeks. Think what that would have done to the restaurant business in Canada. Not to mention Jackie Onassis' \$20,000 a week in spending money.

If Drake and his fleet had not beaten the Armada, half the people in Canada would be talking Spanish, eating garlic and going to bullfights.

How would you like to be out a bullfight this afternoon (it's 15 below outside), sitting in the shady side of the arena, and shouting "Ole", at a bull-fighter and a bull frozen, literally, into the classic stance of the bull-ring?

And what about the battle of the Plains of Abraham? If the Limeys hadn't won that one, I'd be happily back in Ireland right now, cutting peat in a

bog, instead of sitting here wondering how in the name of energy I'm going to meet my fuel bill.

Go farther back. If Joan D'Arc (later St. Joan), hadn't lifted the siege at Orleans, there'd be no French, no Separatiste Party, no Canadian problem.

Another dandy was the Battle of Culloden, where Bonny (retarded) Prince Charlie was beaten by the English. Instead of the Scottish invading England in kilts, they were forced to invade with their brains, and they took over the financial affairs of the British Empire. Which, as we all know, are somewhat less than remarkable.

Back home again, there's the Battle of Queenston Heights, which nobody knows much about except the residents of Queenston, and few of them. But this produced a great, pure, Canadian image, Laura Secord chocolates, without which Canada could probably not have maintained its integrity, nationality, and rotten teeth.

The Yanks have theirs. The Alamo, for example.

One of the most stupid affairs in history. (If anyone ever tells you that you are going to fight to the last man, throw away your gun and begin running in all directions, preferably at once.)

There was, of course, the Charge of the Light Brigade, which didn't change the course of anything. But it did serve as a lasting memorial to the utter stupidity of the British ruling classes. And from that war we did get the Cardigan sweater and the Raglan coat. Not to be sneezed at. Or on.

Perhaps you have sensed my purpose in this little essay. Or, perhaps, like me, you haven't.

Well, like, it's been a bad day, y'know, and y' take an' put your average Canadian up against something, and he'll come up with something, eh?

Oh, yeah. I remember. I was wondering what would have happened if we'd lost the Battle of Britain. It would have been a Jolly Good Show.

Hitler was prepared to make generous terms, and

divide the known world with Britain. Pretty good deal, I'd say.

But the obstinate, stupid British decided to fight. And even worse, they won. The Luftwaffe did not destroy the R.A.F., which had the privilege of being attached to me (or was it the other way around?) during the war.

Result, Britain is sliding down the sluice into economic anonymity. Germany is master of Europe, financially.

It pays to lose wars. Germany and Japan, the big losers in W.W. II, are riding an incredible winning streak in peacetime.

Italy won a short war in Abyssinia, bombs against arrows, machine-guns against spears. She's in her usual mess.

France "won" two wars and is in chaos. Britain "won" two wars and couldn't borrow a quarter for a pint of bitter.

America "won" two wars and the dollar is about as healthy as a wet tissue.

Maybe we should have lost the Battle of Britain.

Haliburton bantam all-stars down Bobcaygeon in series

The Haliburton All-Star Bantams are the group champions in a best-of-five series with Bobcaygeon.

Their first game was a 4-1 victory with goals scored by Jerry Stevenson, Martin Gilles, Tim Bain and Tom Gail. Bobcaygeon's lone

goals was scored by Glen Oliver.

The second game in Bobcaygeon was also a 4-1 victory for Haliburton. Goal scorers were Dwight Sisson, Larry Stinton, Martin Gilles and Joe Roberts, Joe Coverley counted for Bobcaygeon.

In the third game Haliburton downed Bobcaygeon 6-1. Andy Salvatori starred with a hat trick and Joe Roberts scored two goals and Dwight Sisson with a single. Lone goal for Bobcaygeon was by Mark Jermyn.

Bantams complete winning series

The Haliburton Bantams have completed a 16-game schedule in a five team loop.

One of the main reasons for their successful season was the excellent goal tending of goalie Dale LaPorte. Dale had five

shut-outs and only 12 goals scored on him in 16 games.

The bantam's record of 53 goals scored and 12 goals scored against shows that they are a defensive club. Leading scorer, Joe Roberts, Jim Thompson, Mike

Scheffee and Larry Stinton make up the toughest defence in the league.

The following are the Haliburton Bantam 1973-74 Schedule Individuals Scoring Records.

Letters to the editor

To the Editor:

This letter is pertaining to the set-up of the Carnival Queen Contest in Haliburton this year. We feel that it is very unfair that only a selected few were able to enter it. We think that it should be open to anyone from 16-20 years of age. By having only four major contestants this year, there isn't any challenge involved and there doesn't seem to be the same spirit.

We would also like to point out that it is not necessarily a beauty contest, (although looks do help), but a contest which involves personality, intellect and academic standings.

On behalf of ourselves and others who feel the same way, we'd like to say that we hope future years will bring a Carnival Queen Contest which will be open to the public, and not just be limited to a chosen few.

Grade 13 Girls

To the editor.

As a Journalist, your support is needed to correct what strikes me as an extraordinarily dangerous situation in the Highway Traffic Act.

Like many citizens I have, for years, been under the impression that the regulations required that:

a) School buses must have flashing lights operating when children are being loaded or unloaded.

b) School buses must have a sign or lettering, indicating "DO NOT PASS WHEN SIGNALS FLASHING."

c) Motorists - approaching from either direction must come to a full stop until the flashing lights stop.

Did you realize that in areas where speed limits are not more than 35 miles per hour none of these regula-

tions are requirements? Indeed, the Act allows the council of any city to exempt highways under its jurisdiction where speed limits may be more than 35 miles per hour.

As a father and citizen, I submit to you that the protection provided a child in a 37 mile per hour or over zone, is just as vital to a child in a 35 mile or under zone:

Being hit by a car at any speed could indeed cost the precious life of a youngster.

This week I have written all members of our Provincial Parliament asking for introduction of a bill amending these inconsistencies in the Highway Traffic Act.

I implore your investigation and public support as a Journalist.

Hugh A. Crothers
Toronto.

Tory Hill news

We are sorry to report we lost one of our dearest and respected oldest pioneer citizens on January 2. Mrs. Maude Finlay. Who would have been 94 on Feb. 6, she was known to all in the Village as "Gramma Finlay" and loved by all.

Sympathy is also sent to the friends and relatives of Mr. James McCrae who passed away in Haliburton and Mr. Roland Staley of Gooderham.

Mrs. Lola McColl & Murray were in Lindsay one day last week to visit her sister Mrs. Mae Hutchinson in the Scotts nursing home.

Mrs. Gladys Haas has returned home after a 2 week visit to Buffalo to visit her sister.

Mrs. Vera Riel and Blair were in Toronto one day last week.

Miss Helen Bates of Toronto visited with her parents Mr. & Mrs. Herb Bates, her mother returned with her for a few days.

Mr. and Mrs. Allan Gill were in Lindsay for a short

stay last week.

Mr. and Mrs. Hilden Johnston of Bobcaygeon visited with Mr. & Mrs. Allan Gill on Sunday.

A lovely bridal shower was held at the home of Mrs. Laura Stoughton at Wilberforce for bride elect Wanda Anderson. Many friends and relations attended.

The Rose family of England who spent Christmas with the Ross Andersons are planning to return for a visit in August.

It is too bad that the people who think the wolves are so precious didn't see a sight that two of our young men saw. A deer had just been killed by about six wolves, this happened about two miles from the village of Tory Hill.

We were sorry to hear Mrs. Brookings' grandson had a nasty accident on Lake Lorraine while driving a snowmobile.

Mrs. Gloria Billings and

her mother Mrs. Gladys Haas had a shopping visit to Peterborough and later attended the Kinsmen Bingo.

Howard and Dorothy Brooking came back for a week's winter holiday staying with Howard's mother.

Mr. and Mrs. Lance Decoy spent the weekend at their summer home on West Essonville line. They extend their thanks to the Township road crews on the excellent condition of the road.

Mr. Harold Lane of Mississauga was up to his summer place for a brief stay through the past week.

Sympathy is extended to the family of the late Ken Rowbotham of Essonville.

Haliburton copper highly prized

By G. Armstrong Goof

This is ascribed to the Indians and rightly so, but not in the way the average person imagines. Tempering is usually associated with heat treatment. This is so with iron. I recall so distinctly watching the blacksmith at Clarksburg, Ontario where I was born. The blacksmith would heat the iron in a forge and watch the colour of the iron until the proper colour was obtained. He would then plunge the iron into water or oil. It had to be white hot, cherry red or dark red according to the utensil that was required. Sometimes it was a horse shoe, sometimes it was the rim of a wagon wheel. The colour varied. This determined the brittleness, hardness, toughness or wearability of the iron. It depended upon the article for which it was to be made.

But there is another method of producing the quality of metal desired. This is a matter of alloys. It has been known scientifically for years that the crystals in iron are relatively large with considerable spaces between the crystals, and if these spaces are filled that the metal is much harder, tougher and resistant to wear.

In the case of copper (which is relatively soft) it is now known if it is alloyed with

certain metals such as chromium (which does not occur in nature as a metal but as a compound) or beryllium (which also does not occur as a metal but as a compound) that copper is hardened and can take an edge as iron axes.

It appears that some Indians had copper axes and tomahawks which were hard enough to take an edge but they didn't know why. They only knew that they came from a certain area. The reference in Nila Reynolds' book about the piece of copper found in an excavation in the village of Haliburton reminded me that copper from the Lake Superior area was highly prized. No wonder, this is the area from which the prized axe heads and tomahawks came. It took modern examination to show why this was so. The copper coming from the north shore of Lake Superior had been pounded out on a rock consisting largely of a beryllium compound.

Whether these artifacts were pounded out with the addition of fire is not known but the area has been identified. What the Indians were doing was to make a crude alloy of beryllium and copper. This alloy is very hard and will take an edge good enough for an axe. There you have it - the lost secret of the Indians for making cutting tools of copper.

Along The Trails

Compiled by
Roy Bates

The news this week of course is the Rally and Picnic held Sunday at Redstone Lake but I can give only a sketchy account at this time as I have had no opportunity to get all the finer details.

Quite a lot of work went into preparations for the day. The grooming equipment spent several days in the Hall's Lake area putting the Tri-Trail from there to Kennisis in better shape. And one day was spent in erecting trail markers from Twelve Mile to Redstone. One Saturday the groomer was used on all sections from Haliburton to Redstone. Unfortunately the trail base had become so icy that the drag was not as effective as it might otherwise have been. Even with a two hundred pound birch log mounted on it.

As to the picnic I can report only my personal experience and observations. My group of ten machines left Donald at 9:30. We travelled via the Tractor Road Trail to Paradise Lake, thence to Drag and the Tri-Trail. With most of the group in unfamiliar territory, and some unaccustomed to safari riding, we moved along at a leisurely pace, making frequent stops to enjoy the scenery. No breakdowns or mishaps along the way.

We arrived to find that Pat Hucal, who had gone early to get the site ready, had the situation well in hand. A good fire going a bucket of hot tea, another bucket of hot water for instant coffee, the coffee, cups, and ingredients neatly laid out on a table which was actually the side of his sleigh box turned on edge. Huck reported that 115 people had been there already, and before we packed up to go home more than two hundred had made use of the facilities.

It was reported that one group leader left Haliburton with a party of ten and arrived alone. It seems the story goes something like this. At the first stop, to rest and take a head count, two snowmobiles were missing. Asking the others to wait, the leader returned to check on the stragglers. He didn't find them. Apparently one had developed trouble and both had turned back. And when he returned to the spot where he had left the eight they also had disappeared! Now, I consider Percy Lymburner to be the most experienced group leader and the best pace-setter I have ever travelled with so his party must have been made up of rank amateurs. No experienced safari rider would ever leave the pack without first making his intentions known to his leader. I hope this bunch were able to follow our trail signs and find their way. But next time **STAY WITH YOUR LEADER.**

And here are some more dos and don'ts about safari riding. Try to keep up with the pace set by your leader. If yours is a slower machine ride immediately behind the leader on the trail. He will gauge his speed according to your ability to keep up. Everyone else will pass you on the lakes but they'll wait on the other side for you to get back in place. This will save valuable time and most probably allow everyone to get back before dark. Carry the spare parts you are most likely to need, a belt, spark plugs, and it's a long trip, a little extra gas. Don't depend on someone else having what you need.

Tailgating is another common fault. When you ride too close to the machine ahead you are wide open to injury or damage in a sudden stop. A piled up drive chain, a blown belt, or any one of several things can stop a snowmobile instantly without warning. Keep a safe distance between machines. And if the guy behind is too close for comfort stop and tell him.

Gooderham News

The many friends of Jim Dewey will be glad to know of his being appointed recently to the Minden District as Parks and Lands Supervisor. Jim. has had considerable experience in this field, having previously been Supervisor of Lands for the Lindsay District and has been with the Department of Natural Resources (formerly Lands & Forests) for 16 years. As a member of the Council for the Township of Glamorgan he has served

for eight years.

We are glad to report that Archie Hunter is making a good recovery from recent hearty surgery.

We have had a letter from Gordon Barr, now wintering in Florida and he has commented on the gasoline situation. His letter confirms the news reports that the midwest is well supplied with fuel from Canada But Florida presents problems. I quote from his letter:

"Gasoline is hard to buy. About 75 to 80 percent of gas stations are closed for sale of gasoline. Opening a few hours each day, and closed on Sundays.

To buy gasoline, you line up possibly for three or four blocks, and just wait your turn to come to the pumps. Some are trying to ration the sales, by a \$3 to \$5 limit. This morning I wanted to fill up, and was told to be at Shell at 7 o'clock. I got there about 7:30 and there were about 50 cars ahead of me. They had a \$5 limit, and will remain open only for two or three hours.

Service stations are allocated gasoline, and when this is sold they cannot purchase more 'til the following 1st of the month. This, with the truckers' strike, made it very hard to find gasoline over the last weekend.

There does not seem to be

much less traffic, but gasoline is hard to find. This applies to the whole central part of Florida. I understand it is worse to the south.

We plan on driving home with our travel trailer about April 1st, and feel that sales of gas on Interstate Highways like 1-75 will not be so restricted.

Many friends I know are driving in every day and they have no difficulty buying gas. A party drove here from California, arriving Feb. 10th. He had no trouble buying gasoline 'til he got to Florida."

TODAY'S CHILD

THE TORONTO SUN SYNDICATE

BY HELEN ALLEN

Charlie wants to be adopted. He wants to have a mother and father, maybe a big brother who plays hockey, and a home where he knows he belongs.

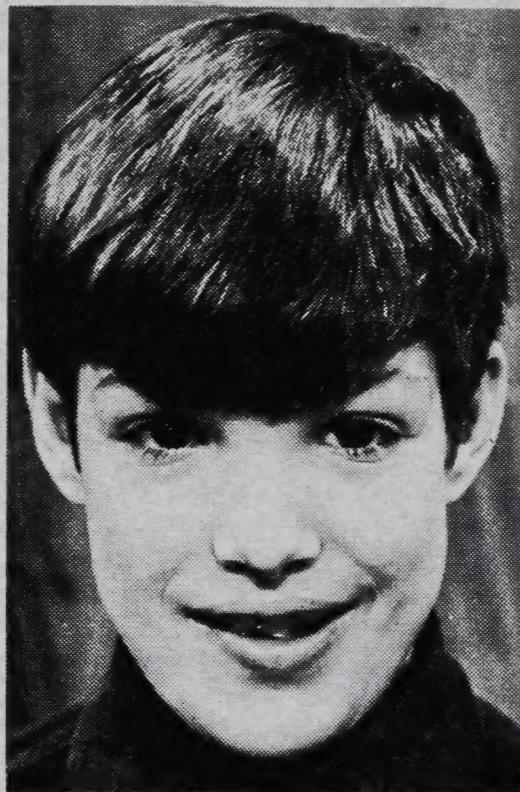

Anglo-Saxon in descent, Charlie, 11 years old, has beautiful dark eyes, brown hair and fair skin and is tall, well-built and healthy. There is a history of epilepsy in his family and as a small child he had some mild seizures. The last was in 1969. He requires no medication.

Charlie is talkative, active and outgoing. He makes friends easily and is popular with his classmates. Charlie is a co-operative youngster who likes to please. He enjoys crafts, is fond of music and likes books, though a slow reader.

In a special education class for below average children, Charlie tries hard and teachers report his progress is good though he sometimes has difficulties. He is expected to continue in special class and will go on to learn a trade.

Parents who enjoy family activities with their children are being sought for Charlie. He needs a home where he will receive stimulation without pressure, where the atmosphere is warm and consistent and where his happy disposition will be appreciated.

To inquire about adopting Charlie, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

THE BIBLE IN THE WALL

Many years ago a lady in Spain wanted to witness to her faith by distributing Bibles. One of the men she approached was a stonemason building a wall, who had never had a Bible. She encouraged him to accept a Bible even though he did not want one. When the lady left the man resolved, "I'll never read this book and I'll make sure no one else will either." He placed the Book in the wall he was building and

sealed in the stone wall.

A few years later an earthquake made a huge crack in the stone wall and exposed the Bible. A building inspector took the book home and began to read this Book which was entirely new to him. Through his reading of the Scriptures he "heard" the Gospel and gave his life to Christ. As a Christian he wanted to spread the Good News about his Lord and began selling Bibles from door-to-door.

One of the people he approached was the stonemason who had hidden the

Bible in the wall. The stonemason was still not interested in having a Bible and told the story of how he had once sealed one up in a wall. The Bible distributor took out the very Bible and showed it to him. The startled man sat down and listened to the distributor's story and now he decided he would like to have a Bible.

The end of the story is that the stonemason not only was converted but eventually became a foreign missionary and laboured faithfully for many years. (From Bible Society files)

World Day of Prayer

For many years now, it has been the custom for all the women of the world to meet on the first Friday of March to raise their combined voices in prayer for some specific subject. The power of prayer has never been properly evaluated.

This year all the ladies of Haliburton are invited to the

United Church for just such a purpose. The subject for discussion and prayer will be, "MAKE US BUILDERS OF PEACE".

The service will begin at 2 p.m. and a nursery will be available in the Christian Education Building for mothers of small children.

Won't you come and join in this world wide service?

Gems of Truth

GOD REVEALS HIMSELF

Nowhere in the Bible do we find that God tries to prove that He exists. It simply states facts as they are and from time to time enlarges on revelation of Himself.

Thus the opening verse of the Bible mentions God as the Creator of heaven and earth. The word God is the English translation of "Elohim" from the Hebrew, in which the Old Testament was originally written. Elohim is a plural noun derived from "El" meaning strength and "Alah" the Faithful One. The word is in the singular but plurality is imbedded, implying the Trinity.

In the beginning God, "Elohim", created the heaven and the earth Genesis 1:1. Again in verse twenty-six "Elohim" said "let Us make man in Our image, after Our likeness". However, when man is to become overlord of creation it is the Lord God or

"Jehovah Elohim" who is giving the charge of dominionship to Adam. Chapter 2, verse four and also in verse seven where a rehearsal of the creation of man is mentioned it was the Lord God or "Jehovah God" who formed man out of the dust of the earth and breathed into his nostrils the breath of life.

As man the creature takes his place on the earth the new relationship of His Creator is in the name of Jehovah God. Jehovah is distinctly the redemption name of Deity. Upon the entrance of sin into the human family it was Jehovah God who came seeking His sinning creatures. Genesis 3:9-13.

Scripture Meditation: "Unto Adam also and to his wife did the Lord God make coats of skins, and clothed them. Genesis 3:21.

Food for Thought: Calvary is not an after-thought but a pre-planned event.

FIREWORKS SUPERVISOR COURSES PLANNED PROVINCE-WIDE

A program of 36 free Courses for Ontario has been authorized by Energy, Mines and Resources Canada to train personnel as "Fireworks Supervisors", the Ontario Safety League announced today.

This action comes as a result of revisions last year to the Canada Explosives Act. Exhibition-type fireworks displays, traditionally marking many of our annual celebrations, must now be fired under the direction of a qualified "Fireworks Supervisor".

Qualifying Courses are open to responsible persons 18 years of age and over who will be in charge of community fireworks displays.

There is no Course fee. Travel arrangements and any other personal expenses are the responsibility of candidates. Courses are 4 hours in length. Successful candidates receive a Fireworks Manual and Registered Certificate. A welcome addition to Course

contents this year is the introduction of demonstration firing at each Course.

Jean Bissonnette, Technologist with Explosives Division, will instruct students on site selection and protection; crowd control; firing distances from spectators; firework trans-

Course Instructor

portation and storage; inspecting, placing and firing of mortars, bombshells, low level and ground displays; search of grounds and dud disposal. Bissonnette is well qualified, with 19 years

previous experience as Production Foreman with Canada's largest fireworks manufacturer.

The Spring program of Courses begins March 5th, with instruction being held in Stratford, Guelph, St. Catharines, Sarnia, Windsor, St. Thomas, Cornwall, Ottawa, Belleville, Kingston, Brockville, Sudbury and North Bay.

Fall Courses are scheduled for Timmins, Kirkland Lake, New Liskeard, Thunder Bay, Fort Frances, Kenora, Dryden, Owen Sound, Barrie, Bracebridge, Pembroke, Bancroft, Peterborough, Mississauga, Richmond Hill and Oshawa, beginning September 10th.

Courses are now forming. Interested persons are advised to enroll as soon as possible to guarantee attendance.

Application forms with specific locations and times may be picked up throughout Ontario from your local Fire Department or by writing direct to the Ontario Safety League, 409 King Street West, Toronto, Ontario M5V 1K1.

Thank-You

I wish to extend thanks to all my family and friends for flowers, gifts and cards I received during my stay in Peterborough Civic Hospital and since I came home. A very special thanks to Dr. Good of Haliburton and Dr. Mewitt of Peterborough. Elmer Sawyer.

I would like to thank my family, relatives, friends and neighbours for their many acts of kindness, gifts and cards while I was a patient in the Ross Memorial Hospital in Lindsay. I would like to thank all the doctors and nurses who attended me. Ernie Brohm.

The family of the late James Wruth express appreciation to friends and neighbours for expressions of sympathy, floral arrangements and charitable donations in the loss of their dear father. Sincere thanks to Rev. Nicholson for his message, the pallbearers, the Welch Funeral Home and to the Lochlin U.C.W. for their assistance.

In Memoriam

BAGSHAW-In loving memory of a dear Father and Grandfather Thomas H. Bagshaw who passed away December 17, 1969, and a dear Mother and Grandmother Annie E. Bagshaw who passed away January 5, 1966. And a dear brother and uncle, Thomas C. Bagshaw who passed away on February 23, 1950. They are gone but not forgotten.

As it dawns another year In our lonely hours of thinking Of the ones we love so dear. Thoughts of them are always near. Days of sadness still come over us. Friends may think the wound is healed. But they little know the sorrow. The lies within the heart concealed. Sadly missed by Clara, Alvin Miscio and Family.

Minden News

At the Card Party by the Order of the Eastern Star last Monday night at the Hyland Crest Auditorium winners were Della Archer, Ron Curry, Edith Welch and John McCaustand. After the games all enjoyed the social time and delicious lunch served by the ladies.

All their friends send good wishes to Mrs. Lionel Rowe and John Hewitt who are presently in Toronto General Hospital.

Mrs. E. Wruth and Mrs. W. Dawson, Jean and George Hewitt are away on a holiday in Florida.

Mr. and Mrs. Bruce Dudman of Toronto spent the weekend at their home; guest with them was Clem Jung of Minden Germany. Mrs. Alec Hall spent a few days last week in Toronto with the Dudman and goes into Lockwood Clinic this week.

Mr. and Mrs. Larry Adams and family of Brooklin spent the weekend with Mr. and Mrs. Lyman

Cox.

Several others were helping during the break in the water line last week. Richard Parisotto, township clerk, was there serving hot coffee for the workers and Deac Jackson and John Kernohan were also among the workers. A great deal of thanks to all whom we got out of bed to help repair this

bore.

There was a good crowd at the High School to hear the finalists in Public Speaking from this County, and one of our girls Heather Gostlin was winner. Congratulations.

Next Monday night is the monthly Orange Lodge Card Party—join them for an enjoyable evening of cards.

Mrs. Charles Roberts spent last week at Toronto General Hospital but came home to the local hospital over the weekend.

Mr. and Mrs. Harold Coulter and family spent the weekend with Mr. and Mrs. George Johnson of Whitney.

All the ladies of this area are cordially invited to attend the World's Day of Prayer at Hyland Crest Chapel March first and time is 2:30.

Mrs. W. MacArthur, Mrs.

John Fleming and girls attended the wedding of Susan Elizabeth MacArthur and Anthony George Sloetjes at Princess Avenue Christian Church St. Thomas, last Saturday.

Recent guest with Mr. and Mrs. George Davidson was their granddaughter, Tracy of Ottawa. Guests last weekend at the Davidsons were Mr. and Mrs. Allan Dales of Clarksburg and Paul Davidson of Thornbury.

At the Men's Orange Lodge Card Party last Monday night winners were for cribbage Joyce Hewitt and Harvey McIntosh; for euchre Marjorie Coulter, Agnes Hartford, Joe Turner and Oswald Snell and lone hands Shirley Elcome. There was a draw made on a valentine cake donated by Mrs. Wm. Cox and winner of this was Bill Hounsell. All enjoyed the delicious lunch and cup of tea served after the games.

Sincere sympathy to the families and friends of the

February 21, 1974 late Mrs. J. Ballantyne, Percy Gabb, Mrs. Alfred Moore and Mrs. J. Ewen.

The ladies of St. Paul's Anglican Church are having a Pancake Supper at the Parish Hall Tuesday Feb. 26 from five to seven.

Mr. and Mrs. Fred Hewitt of Scarborough spent the weekend with Mr. and Mrs. Ern Hewitt.

Gerald Coulter of Toronto was a weekend guest with his parents Mr. and Mrs. Angus Coulter.

At the Weekly Mini Card Party at the Parish Hall last Thursday winner were for bridge Walter Noice, for cribbage Dora Dawson and Cora Hewitt; for euchre May Wright and Mae MacArthur and lone hands Mrs. Stuart Dawson (on a cut).

Last week a mistake again. The article should have read "A Dance was held at Haliburton Legion Hall in honour of Mr. and Mrs. Laverne Cowan on the occasion of their Twenty-fifth Wedding Anniversary.

When it comes to winning it's tough to beat Alouette

We proved that at Eagle River, Wisconsin, by winning the 1974 World Championship Snowmobile Derby. And now we're proving it right where it counts most for you.

Right now your Alouette dealer is giving you a chance to get in on the greatest winning combination ever... a spanking new 1974 Alouette at a **special record-breaking low price.** From the power-hungry Super Brute to the economical gutsy Sno-Duster, we've got the deal you've been waiting for.

Come in today and select your winner. You'll see how tough it is to beat Alouette.
